

Dear Great Valley School District Families,

Please read all attached links in the GVSD section of our website. Great Valley expects ALL GVSD families to submit their annual required form indicating whether you will require transportation from GVSD or not. Please make sure to send this form by June 1 to: transportation@gvsd.org.

Of note, GVSD begins transporting students at the kindergarten level who are 5 years of age by September 1 of that year. They do NOT transport students attending pre-kindergarten.

If you are a new family and join after the June 1 deadline, you should send the required form to GVSD as soon as possible.
