

COVID-19 DAILY SYMPTOM SCREENING

Parents, EVERY MORNING BEFORE YOU SEND YOUR CHILD TO SCHOOL, PLEASE CHECK FOR THE FOLLOWING:

1. Is your child experiencing any of the following symptoms?

- fever (Temperature **100.4° F** or greater - oral)
- headache
- cough
- shortness of breath
- difficulty breathing
- sneezing
- runny nose
- congestion
- sore throat
- loss of taste and/or smell
- chills
- muscle and/or body aches
- fatigue
- nausea
- vomiting
- diarrhea

**IF THE ANSWER IS YES TO ANY OF THESE QUESTIONS,
DO NOT SEND YOUR CHILD TO SCHOOL.**

Parents should *report* these symptoms to Amanda McLoughlin, RN via the attendance line (ext. 103) or email attendance@kimberton.org or amcloughlin@kimberton.org or by calling 610-933-3635 ext. 1 or 121 and *await clearance before returning to school*. Your child may require proof of a negative COVID-19 test, doctor's note, and/or resolution of symptoms prior to being cleared to return to school. It is advised that you contact your child's health care provider if they are exhibiting any of these symptoms.

If your child has a known chronic condition that presents with symptoms like COVID-19, they may be exempt for those symptoms with documentation from a licensed health care practitioner. Documentation will only be accepted from a licensed MD, DO, PA-C, or CRNP.

If your child has trouble breathing, chest pain, new confusion, inability to wake or stay awake or bluish lips or face CALL 911

2. Was your child in close contact (within 6 feet for more than 15 minutes) with anyone confirmed with COVID-19 within the last two weeks?

3. Has your child taken fever reducing medication (e.g. acetaminophen (Tylenol), ibuprofen (Motrin), or naproxen (Aleve)) within the past 24 hours?*

*If there is no known or probable exposure to COVID-19, this does not apply if the medication is occasionally taken for chronically recurring pain (e. g. period cramps, known migraine) or acute musculoskeletal injuries.

4. Has your child taken any over-the-counter medications, such as Robitussin, Mucinex, or any other brand of cold/flu medicine **OR** taken any type of HOMEOPATHIC or NATURAL REMEDIES to alleviate any of the symptoms listed above within the past 24 hours?

Please only send your child to school if they are well.

 Staff members, please use the criteria above to screen yourself each morning before work.
